

Hospitality Opportunities in Qatar

Five-star private household positions in Doha — recruited by Care Pulse on behalf of prestige private clients

The Programme

We are assembling a complete hospitality team for one of Doha's finest private residences, alongside further placements with prestige households across the city. These are long-term, fully sponsored positions for professionals with genuine five-star backgrounds — luxury hotels, resorts, fine dining, destination spas and private households. If you take pride in service at the highest standard, this programme is built for you.

Our Guarantee to Candidates

You will never be charged any recruitment, placement or processing fee — at any stage, by anyone. All recruitment costs are borne by the employer. Every application is reviewed by a professional consultant, and every placement includes structured induction and ongoing support.

Who We Are Looking For

Two or more years in five-star hospitality — hotels, resorts, fine dining, spas or private households — with strong verifiable references. Impeccable presentation, discretion, and genuine pride in service. Professional English is required; additional languages are welcome.

How to Apply

Apply online at carepulse.life/qatar-hospitality — one application covers all roles; our consultants match your experience to the positions that fit best. Shortlisted candidates complete a structured interview, a practical assessment where relevant, and full reference verification before any offer is made.
